However, Scientific Committee has to be informed **before 25th September 2016** by email (cientificocnemxxxiv@gmail.com).

9. The judging panel for the Dean of Medicine Award will be appointed by the Dean of Medicine and will consist of three full-time university professors.
10. Each student will present their poster individually to the judging panel who will choose the three best posters. The three finalists will then have to present their project again using presentation media such as Power Point in a special session for the public the day of the Closing Ceremony. Each presentation is strictly limited to **7 minutes plus 3 minutes for discussion and/or questions**. This last presentation **should summarize the content of the poster on two or three slides**.

The judging panel will then choose the winner, which will be announced at the National Medical Students' Conference Closing.

11. The monetary award will consist of 700€. The judging panel may also choose a second project whose authors will be rewarded with a second prize.

12. If none of the scientific presentations meet the judging panel's criteria, the competition may be declared void.

13. The judges' decision is final and not subject to appeal.

14. Entering the competition implies the acceptance of these competition rules.

15. Entering the competition implies to participate in the Scientific Committee Contest with an Oral Presentation.
